

University Graduates / Software Developers (m/f)

TeleTrader d.o.o. is part of TeleTrader Software Group, a company specialized in developing products for the financial markets, offering a broad portfolio of tools for the storing, processing, visualization and analysis of market data coming from world-wide exchanges.

TeleTrader as an internationally acting company head-quartered in Vienna, Austria, is selling its products in Europe, North America and Asia and is developing its software in Belgrade.

We are offering vacancies for university graduates with the interest of diving deep into software development in one of our teams. Our teams have a diverse focus, some areas we work in are:

- Web frontends (JavaScript)
- Apps (iOS, Swift, Android, Java)
- Rich client applications on Windows and Mac OS (Objective-C, Swift, MSVC++, C#.NET)
- Server side web projects (C#.NET)
- Middleware (XML, Web Services, C#.NET)
- Server side infrastructure development (MSVC++)

This gives you various opportunities to develop your strengths in a professional software development organization.

Requirements:

- University degree in Computer Engineering, Software Engineering or a similar department
- Good knowledge of OO design, algorithms, data structures, design patterns and efficient programming
- Good understanding of at least one of the technologies we use, as mentioned above
- You have done some serious software development before and are willing to work in highly demanding software projects
- Pragmatic spirit
- Ability to effectively communicate and cooperate with peers
- Fluent written and spoken English

Offer:

- Work in an established company with market leadership
- Be part of a young and dynamic team
- Solid work environment in a central location in Belgrade
- Performance oriented payment
- Get excited by the thrilling area of stock exchanges
- Internal education
- Professional physiotherapist (massage and exercises)
- Full Time employment

Traineeship and half-time (or more) positions are available for final year students with excellent grades and the perspective to work full-time within 12 months.

We would be pleased to receive complete application documents including the area you are interested in most, your CV and the possible start date.

Please send your application to bgjobs@teletrader.com
